

PARENT & CARER COFFEE MORNING

TUESDAY 22ND SEPTEMBER - 9-10AM

Meet at Reception

Chris

School Governor

As the school's Governor with responsibility for Special Educational Needs and Disabilities (SEND), Chris is keen to hear directly from parents and carers about their experiences of SEND provision at Hawley Primary. Your views are invaluable in helping the Governing Board understand what is working well and where we can continue to improve as a school.

The focus will be on gathering general feedback and identifying common themes that will help governors support the school's ongoing development.

Let us know you're coming:
