

Dear Parents & Carers,

Alongside my role as Class teacher and EYFS Lead here at Hawley Primary school, I also work as an LFSP in a supporting role alongside the Early Years Advisory teachers for the county. This is a diverse role that enables me to provide support and share practice with other Nurseries, Preschool and Reception classes. As part of this role I am often asked to share my practise with other practitioners through the use of photos and videos.

In order for me to be able to do this successfully I would like to be able to share the amazing learning and engagement that your children show every day. If you are happy for your child to be featured in these videos and photos please may you complete the permission form attached and return to your child's class teacher.

Many thanks for your continued support

Miss Ellis
