## The Star of the Week! By Lois G and Serenna A

Have you ever had star of the week before? Well, I have. You should try your best to be the star of the week! Show your teachers how good you can be and impress them! If you get the certificate, you have to sit at the front of our Golden Assembly on a brown, wooden bench. When you get one, you will be congratulated in the hall surrounded by Key Stage 2 and Key Stage 1, your teacher, Miss Baker and any other adults that are in the hall.

There are also Dojos. These include Walking Wizard, Perfectly Polite, Happiness Hero and Hardworking Warrior. You will be congratulated by your class after assembly and you might get a high five or a fist pump. You will not expect it! Golden Assembly is every Friday. It is great to get a certificate during our Golden Assembly.

### Being Healthy

By Tia A

At the start of 2023 lots of people had New Year's resolutions. One of the main resolutions people chose is being healthy. I interviewed some people on how they like to be healthy!

Freya M in year six said, "I'm going to do a work-out every day."

Hannah B in year six said, "I'm going to do Just Dance a lot."

Miss Doughty, the year 4 teacher, said, "I'm going to drink more water."

Being healthy is very important. Scientists say that children will live a shorter life if they don't get out more. It is thought children who spend less time outside will live 5 years shorter than children who spend more time outside! Luckily, more and more parents are telling their children to go outside more!

### ECO-CHIEF MEETINGS

By Jainie Thomas

There are many important roles in Hawley Primary School but one of the most important roles is Eco-Chief. In Eco-Chief meetings, we discuss how to help the planet. We do this by reminding people not to litter, not wasting energy, stop pollution (air and water) and try to stop global warming. Our Eco-Chief meetings are held in the computer suite, the workroom or the garden/pond area. Ms Locke looks after the Eco-Chief group and we have a meeting every Monday at 12:30.

## Year Six Learning!

By Hannah B

At Hawley Primary School there are two year six classes: Pumas and Panthers. In both classes we are learning about 'We Rule!' which is all about the rulers of different time periods. At the moment we are learning about the Vikings!

On January 20<sup>th</sup>, we dressed up as a ruler of our choice. Princess Diana, Anne Boleyn, Queen Elizabeth II, Cleopatra and Michelle Obama are just some examples of who we dressed up as.

In year 6 we also do jobs around the school including Huff and Puff. Here are some words from hard workers at Hawley Primary School.

Erin: doing the job is very exciting, but it can be frustrating because people can forget their manners.

Lyla: It makes me feel more organised.

## Leopard Class Worry Monster

By Maria, Yusra and Phoebe

In Leopard Class we have a worry monster who eats all our worries. We have this poem to remind us of what to do when we are worried.

*I'm your class worry monster,  
I am always here.  
When worries pop into your head,  
don't let them turn into fear!*

*Take a piece of paper,  
make sure to write your name.  
Explain your worry to me,  
write it clear and plain.*

*Put the worry into my mouth,  
and let me eat the fear.*

*Put a smile upon your face,  
then give a great big cheer!*

Our worry monster is blue, and he sits on the radiator at the back of Leopard Class. Every day the teacher opens the mouth of our worry monster to look for any worries so she can sort everything out.

## Queen Victoria

By Ella and Remi

In Penguin class, we are learning about Queen Victoria. She was born in 1819 and she became queen when she was 18. She married Prince Albert and she had 9 children. She was the first person to have a flushing toilet. Queen Victoria also was the first one to have chocolate Easter eggs. She and Prince Albert gave out Christmas cards. She said children between 5 and 10 had to go to school. She wanted her children to go to school because she didn't go to school. Queen Victoria was queen for a long time. She was the Queen for almost 64 years.

## Miss Doughty, Miss Wilson and Miss Merino

By Maria O, Phoebe B and Yusra

Miss Doughty is a wonderful teacher. Her favourite colour is light blue, what is your favourite colour?

Also, her favourite food is... pizza, but only pizza with pineapple on. She loves to wear fluffy jumpers...so cosy! Miss Doughty also loves to teach music and loves to play the flute. Her favourite animal is a dolphin, and she wants to watch them do their tricks. The best topic she has ever taught was about the dinosaurs.

Miss Wilson is next in line. She loves the colour purple, do you? Her favourite animal is soft and cuddly. It's an otter! She likes to teach history and the Egyptians. She also loves to wear a nice snuggly jumper. She is really kind, runs choir and loves chocolate!

Welcome Mrs Merino! She's a TA and she likes the colour turquoise. Do you like that colour? She also loves pasta, paella and she wishes she could have it every day! The other thing is she loves nice and friendly dogs, it's her favourite animal. What is your favourite animal? Are you from Spain? Because you're in luck as she is also from Spain. She loves coffee as it makes her bounce off the walls. So, our teachers are lovely at Hawley, did you like getting to know them? There's more to come in our next teacher interview.

## Newspaper Club

*Do you enjoy writing? If you would like to join the Newspaper Club, please speak to Mrs Collins or Miss Doughty. We meet every Friday at lunchtime in the Computing Suite. Everyone from Year 1-Year 6 are welcome!*

## PUMA Class News

By Chloe B

In Puma class we are learning about we rule. On the 20<sup>th</sup> of January 2023 we dressed up as rulers that we chose and then we started biographies in English about the people we dressed up as. In Maths, we are learning about Roman Numerals and multiplying decimals and percentages. On the 3<sup>rd</sup> of February, we had a mufti day and also a bad hair day. Everyone will dress up how they want to, but for year six, they can dress up in clothes that are suitable for PE. Not everyone will want to do a bad hair day so they don't have to but if they want to, they can I put tolliet roll in my hair and then put it up so it looks really wide and then I will put coloured chalk in my hair so it looks cool and colourful.

# Hawley Primary School

## RULES!

by Freya M

Making a bad choice at Hawley Primary School will probably lead you to trouble. So, we have some Golden Rules to follow to help us make the right choices. It is also important to be respectful when we listen. Most of all, we should have fun in school. These Golden Rules are for all the students in our school. Our Golden Rules are:

- We are respectful
- We are honest
- We listen
- We care for the play-ground
- We play well with others
- We are kind and helpful
- We are gentle

## Eat Them to Defend Them- Being Healthy

By Remi C, Ella I and Georgina K

It's important to be healthy and drink water because if you don't drink water, you won't be hydrated. It won't make you strong if you don't eat healthy. You can eat brussel sprouts to make you strong. You should eat carrots and broccoli to be strong and healthy. If you are not healthy, you could get sick. Don't eat too many sweets and junk food. Don't eat lots of sugar. If you eat too much sugar, it could make you sick too. It's ok to eat chocolate after dinner but only a little bit. You should not eat it for breakfast, lunch and dinner because it won't make you healthy. Chocolate has so much sugar in it. You should eat fruit anytime. In school, you can eat fruit when its break time and lunch time. In school, we get apples, pears, tomatoes and bananas. They are yummy, but Remi doesn't like tomatoes.

## French Games

By Ruby C

At Hawley Primary School, we have French ambassadors. We have lots of meetings with Madame Wos to discuss French at school.

Games are a really great way to learn French! Firstly, you don't even have to do any work, all you have to do is play games. Secondly, they are really fun. I know this because I have played them. Other people have said "I rate them 9/10. They are really fun and they help me to get better at French and I don't even know it!"

In our French meetings, we found out that not many people play the French games. This article is to spread the word of French games and why you should play them. There are house points and Dojos to be won!

***S'il vous plait jouer aux jeux!***

(Please play the games!)

***Merci!***

## Girls' Sports In Hawley Primary School

By Lore A

All around the school girls are **big** on sports and they compete in various competitions.

On Thursday 19<sup>th</sup> of January at Samuel Cody School, the girls' football team had a football tournament. For those who don't know what a tournament is, it is when loads of teams go against each other and there ends up being only one winner! The team was: Lore, Ella, Ivy, Lily-Rose, Lexi, Emily and Sophia. Unfortunately, at the tournament Hawley lost all our games, but we played **AMAZINGLY**.

On Friday 27<sup>th</sup> January at Hawley Primary, the girls' football team were meant to play Tower Hill but unfortunately it was cancelled. Thanks to Mrs Splisbury, who is our wonderful coach and organiser, the match was rescheduled to Friday 3<sup>rd</sup> of February. The team was: Lore, Ella, Ivy, Zara, Evie, Emily and Sophia. The score was 2-1 to Hawley. It was an amazing win as Tower Hill scored first then it was halftime. After that I (Lore) scored an **AMAZING** goal, making it 1-1. Soon after Ivy scored a **SMASHING** goal! Then it was fulltime. Also, this match was very personal to me because I was announced... **CAPTAIN!** But aside from that it was a fantastic victory.

## Huff and Puff News

by Orla W

Recently, while the year 6's have been doing their Huff and Puff job, they have been noticing lots of broken equipment. Miss Baker, Mrs Lody and Mrs Spilsbury have had to replace the broken things with the school's money. I think they are disappointed because they should be spending the money on other things and not for the Huff and Puff shed.

Year 6's doing their jobs at lunchtime have had to take away some equipment because some people have taken more than 2 items when you are only supposed to take 1 or 1 set at a time.

The teachers in Key Stage 1 have also helped the students learn how to use the equipment properly. We need to play with things and put them away properly when we are done playing with them. It is all our responsibility to look after the Huff and Puff equipment.

# <sup>6</sup> The Premier League

By Joseph C, Oscar G and Evie O

In the premier league, there is a cup competition called the Carabao Cup. There are 20 teams in the Premier league. Some of the teams playing are:

Nottingham Forest v Leicester city  
Fulham v Chelsea  
Manchester united v Manchester City (Manchester Derby)  
Aston Villa v Leeds United  
Wolves v West Ham United  
Everton v Southampton

There are more teams that are playing football. Now, we will see which two teams will go to the finals. We think that Arsenal, Chelsea and Man City are rocking the Premier League.

The top ten best scorers are

|                       |                              |
|-----------------------|------------------------------|
| Erlling Haaland 21    | Marcus Rashford 8            |
| Harry Kane 15         | Martin Odegaard              |
| Ivan Toney 13         | Phil Foden 7                 |
| Alexander Mitrovic 11 | Mohamed Salah 7              |
| Rodrigo 10            | Gabriel Martinelli 7         |
| Miguel Almiron 9      | and our favourite Sterling 4 |

Did you know that the first player to ever score a goal was Brian Deane? He scored the first Premier League goal in the history of the Premier League.

## GOALS

By Ada, Aria, Isabelle and Erin

In January we set a new year's resolution. It is a challenge for the year. This year we want to land a back-flip. We want to ride a horse. We want to learn new swimming tricks. We want to learn new gymnastics tricks and make new friends. We also want to learn French at the French club in school.

## Dance Day

By Lily C

Polar Bears have been training with Mrs Spilsbury for our Dance Day. On the day, we were all put in groups to dance. Each week we practised a new skill. The first week pretended we were teddy bears and the week after we were Barbie dolls and action figures. We worked hard in our PE lessons. It is really fun!
