Hawley Celebrates the The King's Coronation

Hawley's Big Help

BY JAINIE THOMAS

At Eco-Chiefs, we planned a litter pick out of school for the coronation of King Charles III which everyone was excited for. The Eco-chiefs and the school council went litter picking on Friday 5th May 2023 to look after our planet. King Charles wanted people to do something to help our planet. We did the litter pick with Miss Baker and Miss Wall. We worked together to pick up all the litter around Hawley Primary.

KINGS CORONATION

By Freya M

On Friday 5th of May, Hawley Primary School is dressed up in the colours of the Union Jack which are red, white and blue for the King's Coronation. We also had a picnic at school with all our friends in the hall. It was supposed to be on the warm school field but because of the rain we had it inside instead! There were 3 lunches to pick from they are, cheese sandwich, ham sandwich and tuna sandwich. I had a cheese sandwich. In the afternoon, we went to the hall to do a Coronation quiz. We used the iPads for our answers. We also made things in class to put in a school time capsule.

The Kings Coronation Picnic

By Freya S and Jesy

On the 5th of May 2023, Hawley Primary will be holding a coronation picnic in honour of King Charles III. This will be a great experience for the children of Hawley Primary. There will be a picnic and we will be eating amazing sandwiches. There will be a selection of fillings which are: ham, cheese or tuna. With the sides of fresh fruit, vegetable sticks and a sausage roll (vegetarian or non-vegetarian) with a delicious shortbread cookie for dessert. Doesn't that sound delightful! Also, the children have learnt two songs which link to this wonderful celebration which are 'To the Sound of Trumpets' and 'Coronation Day'. And as an activity we will be making a time capsule which will be dug up when the next monarch is crowned. This will be Prince William's coronation. On our Coronation Celebration day, students and staff members will have the opportunity to come in wearing the colours of the Union Jack. It is a day not to be missed!

In and Around Hawley Primary

Hawley has been a hive of activity over the last couple of months. Let's find out what has

WORLD BOOK DAY

By Jesy I

On Thursday 2nd of March we had world book day. As it was world book day, we could dress up as some of our most favourite characters. Some of the costumes were so amazing and each and every person in the school came up with special and unique costumes! We had many activities related to our book, The Three Little Pigs, the whole school's topic. The whole school had watched a live video about some of the most famous writers. You might have heard of them or read their books before. We had Michael Rosen talking about what inspired him and what genres he liked. Maybe one of our lovely students from Hawley Primary School has been inspired and is about to let her/his creativity shine! We are very proud of all the creativity and effort put into these lovely costumes. At the end of the day some of our lovely year 6's had a wonderful time reading The Three Little Piggies to their buddies.

School Disco Fun

By Amelie O

After half term, we had a disco. We got to change and wear our party clothes. I danced with my friends. The disco was fun. We had it in the hall and we danced with our teachers. I danced so much and I ate crisps. I also drank a bubble gum drink. It was yummy. I liked the songs. I can't wait for the next one.

Easter Bonnet Parade

By the year 3 and 4 writers

This Easter we had an Easter parade and what happened was that everyone in the school made an Easter bonnet. Then we walked around the playground in our classes. Our parents stood around some cones and watched us walk around the playground. They clapped when we walked past them. There were lots of exciting hats. Everyone worked so hard to make beautiful Easter hats. Some looked like carrots and one had dinosaurs instead of bunnies! We sang Spring Chicken to the parents. This is a Hawley Primary tradition. It was so much fun.

Swimming and P.E

By Maria and Zara

Year 4 started swimming on the 25th of April at Camberley leisure centre. We were split into two groups and one group did swimming and the other group did P.E. Then we switched around.

In P.E we played fun games, the teachers did PE with us so we were ready for swimming. We played corners and whoever touches the floor last is out. We finished and then got changed for swimming.

The swimming was a test to see how good we were at it. We were split into groups with different teachers and children with long hair had to wear swimming caps.

It's the second week and now we have 30 minute lessons. We are in the deep end and some people are in the shallow end. In the deep end we did lots of activities including treading water, sit diving, front crawl, back stroke, mushroom float and star fish back and front.

There was also a fire alarm and it went off when we were in the changing room. None of us had to leave the building because it wasn't a fire. Something set the alarm off in the upstairs lockers.

In the sports hall every week, we play different games and we have lots of fun!

Hawley Eisteddfod

By Ellie DP, Ella I and Zara I

This year on the 1st March, Hawley had Eisteddfod celebrations. The Eisteddfod started with KS1 children and then ended with KS2. We dressed up in our house colours. There were blue for Water, red for Fire, green for Earth and yellow for Wind.

We completed lots of different tasks that would help us win points for our house. We had a dance and singing competition. We had to learn dances and songs in our houses. KS1 had a pancake race outside. KS2 had a talent show. We also had a PE contest. It was really fun and we got to see all the cool hidden talents our friends have. In KS2, Water won, but we all tried our best and had a lot of fun!

Please Recycle

By Freya.S

I am here to inform you about the assembly we had on Monday the 6th of March 2023. This assembly was about litter and telling us how we should recycle. The Eco Chiefs were presenting it at 14:30 and they told us about the poor animals being hurt by the polluting plastic. It is our responsibility to look after our planet. As a school we should try really hard to look after our environment!

Victorian Toys

By Isabelle H

In Penguin class, we are learning about the olden day toys. The toys are made of wood, metal and plastic. Some of the toys we saw are really old. In the olden days, children had dolls and they had blocks. The toys before are not like our toys now. They didn't have tablets and iPads like us. We had a chance to play with the old toys but we have to be gentle with them. Some old toys were not colourful and it looked boring. Toys are fun to play with. It is lots of fun learning about them. I think I like my toys better.

Clicker

By Joseph C and Oscar G

Clicker is a new writing tool which can help you with your writing. To use it, you must download it onto your computer or Ipad but you will need a special logging in code. You could also speak to your teacher who can help you. It has a special voice that reads your work to you. It only does this when you use a full stop. It also says words that are important and it is very fun. Clicker helps you spell words if you don't know how to spell them. Clicker is another good way of helping pupils learn at school. We like using it. It is also a lot of fun to use. We are glad we can use it in class.

GIRLS FOOTBALL by Lois G

Sport is popular at Hawley Primary. This is a short and helpful guide to Girls' Football at Hawley.
When: Wednesday lunchtimes
Where: Field
How to join: Look for Mrs Spilsbury and ask if you can join
What to bring: A football kit or old clothes. You are not allowed to wear your PE kit.

SATs

By Tia A and Orla W

From the 9th of May to the 12th of May, the year 6's will be starting their SATs. Their teachers have made sure they are well prepared by doing many practice SATs papers.

The year 6's will also have delicious extra breakfast in the morning to help our brains. We will be doing our tests all over the school so if you happen to be moving around the school, please make sure you are very quiet so we can concentrate on our tests. We have worked really hard and we are sure we will do well on our SATs.

SATs

By Lore A

On the 9th of May, year 6's will be starting their sats on the second of week of May. The Year 6's and our teachers have worked hard preparing

for our SATs. The SATs are basically a variation of test to check what we have learnt in school but also to test our academic ability. We have tests in Reading, Spelling, Maths and Writing. Although this all sounds really hard, tough and important, it is all about doing our best!! As a break from all this learning, Year 5/6 are doing their annual play. This year's play is called ALLIBABA AND THE BONGO BANDITS!! However, it's the last time the year 6's will be doing this so they will get priority for the main parts. We can't wait to present this to everyone.

Get to know our Hawley Staff

By Phoebe B, Evie O, Serenna A, Maria O and Yusra

Mrs Leahy

Mrs Leahy is amazing at art and loves the colour green. She loves autumn and eats salmon sushi. If she could go anywhere, she would go to Barbados. She has a favourite drink can you guess what it is?

Miss Cansdale

Miss Cansdale is a Year 5 teacher. She loves baby blue. It's her favourite colour! If she could have any dinner, it would be fajitas. Her favourite movie is definitely Harry Potter. There are even things from Harry Potter in her classroom!

Mrs Harrison

Mrs Harrison teaches Year 3/4. She likes to cuddle up on the sofa with a cuddly rainbow jumper with her favourite book "Private, Keep Out!" by Gwen Grant. She loves Guinea pigs and she's from Croydon. She loves salt and vinegar crisps. If she could go anywhere right now, it would be Mystic, Connecticut, USA, where her very good friends live.

Mrs Brooks

She is 39 and has 2 amazing boys. She loves to eat lamb and would go to Lego Land when she is not at work. She loves the colour yellow and in year R, she loves to do craft. She loves to read Thursday mystery murder club. She also wears lovely dresses.

If you would like to join the Newspaper Club, please see Mrs Collins (Year 1) or Miss Doughty (Year 4). We meet every Thursday during lunchtimes in the Computing Suite. We always welcome new writers!
