(More details to follow
later in the year.)

Three parallel white lines of varying lengths are positioned diagonally in the bottom right corner of the slide, extending from the right edge towards the center.

HOMework

- ❑ Homework is set on a Friday and usually due in on a Wednesday
- ❑ Activities on Seesaw: children only need to do the Homework and learn their spellings. Other tasks on Seesaw are optional - they are resources/games that we are using in class that they might want to play/complete at home for additional house points.

Spellings

Words to learn each week will be posted on Seesaw.

Spelling test/check in class will be the following Monday and results posted to Seesaw

Childrens' spelling lists may include:

Spelling patterns each week

Common exception words

High frequency words

Words that the individual child has misspelled

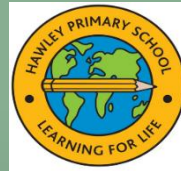

5 'Reading Experiences' a week.

These do **NOT** need to be the child's reading book.

Children should record their reading experiences in their purple books.

Reading & Spelling logs are checked on a **Monday**. We try to give the children the opportunity to change reading books every day if we have time.

READING & SPELLING LOGS

- ▶ Praise effort, resilience and learning attitude as well as the finished product
- ▶ Positivity
- ▶ Reading, times tables, spelling, other home learning tasks
- ▶ Communication with us
- ▶ £2.00 cookery donation
- ▶ Tissues for the classroom
