The HAF programme is funded by the Department for Education so that local authorities can offer healthy food and enriching activities in the school holidays to children who receive income-based free school meals. A small number of places are also available on HAF schemes for other vulnerable families.

To find out more about the HAF Programme visit the [connect4communities website](https://www.connect4communities.org.uk). For queries please email connect4communities@hants.gov.uk in the first instance.
