

PARKING AT HAWLEY PRIMARY

Dear Parents

As you are aware, parking outside our school has always created problems including some potentially dangerous situations for our children.

Our team of Junior Road Safety Officers are keen to try and improve the situation for everyone and will be doing the following this term:

- Asking Parents to sign up to the Hampshire Parkwise Promise.
- Meeting with Hampshire Parking officials to better understand the parking problems.
- Undertaking Parking Patrols and awarding 'tickets' for Perfect Parking and Parking advice when not so perfect!
- Encouraging you to use the Park and Stride area at the Leisure Centre
- Communicating with our neighbours in Oakfield Road about the efforts our school community is making to improve the situation.

Our JRSO Team have learnt a lot about parking, and we thought their comments were worth sharing:

"Please do not drop your children off in the middle of the road as it's really dangerous" – William

"We want to keep you and the roads around school safe so ask you to think before you park" - Lois

"To park safely, please remember to use our Park and Stride car park at the Leisure Centre" - Phoebe

"We are very worried about the parking here at Hawley. Please consider that we are children, and you should be role models for the future. You would be embarrassed getting a 'parking ticket' from a 9/10 year old child!" - Zara

"Please do not park on grass verges as you will damage the pipes that run underneath. Leaving your cars running is damaging our world! You don't want that do you?" - Maria

The parking issues around school are only going to improve if we all work together, so we really hope we can rely on you to play your part and help us.

Thank you

Junior Road Safety Officers at Hawley Primary School
