EYFS Trip to Windsor Castle

Our EYFS children had a fantastic time visiting Windsor Castle. We were lucky enough to have the opportunity to search the castle for hidden Dragons who had been causing mischief, before listening to a story all about Sir George the knight who made the dragons polite. Looking around the castle was amazing! The children couldn't believe all the lovely things we saw, from the massive rooms to the armours and shields to all the gold shiny items on display! A lovely day was had by all!

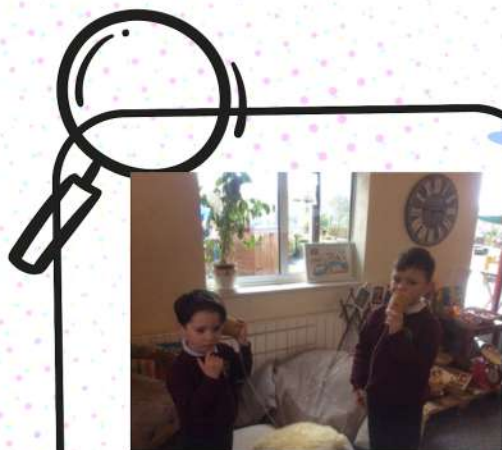

Mental Health Week & Safer Internet Day

We took part in Children's mental health week. This year's theme was 'my voice matters' and enabled us to realise that it is important to share our opinions and thoughts with others. We have been thinking about what matters and what is important to us as well sharing with each other the things we like and the things we are proud of.

Throughout the week the children in EYFS and KS1 have made a string telephone so that they could listen carefully to each other. KS2 have created a piece of art work all about the things that matter to them. If you would like to know more about how to support your child's mental health please check out our well-being page on our school website or ask your child's teacher how to sign up for the myHappy Mind parents app.

We had a special assembly for Safer Internet day on Tuesday 6th February. We learnt about the positive and negatives of the Internet, reminding ourselves how we should always be kind.

Tag Rugby Tournament @ Robert Mays

This team were amazing in the Tag Rugby Tournament, especially in arctic temperatures! We played against 7 other schools and finished 4th in the tournament overall, just missing out on a 3rd place medal. This team showed true strength, determination and sportsmanship throughout the tournament. You all made us so proud! 🌟
