Dear Parents

FREE PARENT SUPPORT SESSIONS

We know through conversations with our families, that many of you are finding aspects of parenting tricky – it's a hard job, and we are always keen to help where we can. We are therefore pleased to announce that Hawley Primary School can now offer our families parent advice sessions run by Face Family Advice.

Face Family Advice was set up to help parents like you. With the stresses and strains of modern life, our children and young adults have never been under more pressure. Face aims to offer advice, tips and support to parents who want to get the best out of their family relationships and need new tools to do that.

Face Family Advice is run by Jane Keyworth, therapist, teacher, strengthening family's facilitator, who has 30 years experience working directly with young people, adults and families. She has a British Psychological Society Approved Degree in Psychology, specialised in Child Development; an Advanced Diploma in Counselling; qualifications in Teaching and Assessing; a Strengthening Families facilitator. Working knowledge of ACT (Acceptance & Commitment Therapy), CBT, Transactional Analysis (TA). The interventions she shares with parents are taken from these approaches.

She is also the mother of three (one child who is dyslexic and ADHD) and the stepmother of one autistic child. Her passion is to help parents and services who support children.

Please find the current list of online sessions available attached. These are normally priced at £24 each but due to the relationship we have established with FACE, we can offer these sessions to Hawley parents for free!

Please call the school office for the Hawley Primary School access code

This can be used by any parents from Hawley Primary School for unlimited access to all of the FACE Parent Talks for the next 12 months.

The talks are on a four weekly rotation and from February they will be available as morning sessions 10:00-11:30 as well as the regular 19:00-20:30 evening sessions.

The Code cannot be used on any other FACE services and cannot be shared with parents or staff from other schools. FACE does reserve the right to immediately cancel the code if improper use is detected.

How to apply the code: At the payment stage of booking, add the code where it says ADD PROMO CODE. This will drop the price from £24 to £0.

We also attach a video so you can find out more about FACE. Their website can be found here:

<https://www.facefamilyadvice.co.uk/>

We hope that you find these sessions useful and would be grateful to receive your feedback, positive or negative.

Kind regards

Jane Baker - Headteacher
