Phonics

Our Year 1 children will continue to develop their reading through the Little Wandle program.

Each half term they will be assessed to check progress. This allows us the opportunity to provide support for any gaps that develop. This support will be given through daily catch-up intervention sessions.

Spelling

Our Year 2 children will progress from following the Little Wandle Letters and Sounds phonics programme, to using the Year 2 Spelling programme.

They will take part in daily spelling sessions which teach the spelling rules and patterns outlined in the Key Stage One curriculum, as well as helping them to recognise and spell all of the KS1 Common Exception Words.

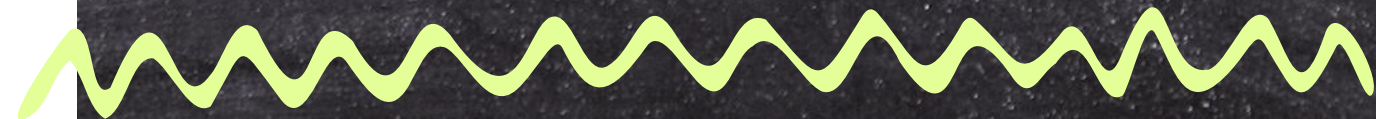

Reading in Key Stage One

When your child brings home a book from school they will also receive a Reading Record book. This is a place for you to record the read and write a short comment on your child's reading.

You will receive two types of books home;

- 1) Decodable book – this is very closely matched to your child's current reading ability. Children should be secure with the graphemes within the book and be able to read the book pretty fluently.
- 2) Story/library book – a book to share and enjoy together. This is to develop a love of reading. Your child will NOT be expected to read this themselves.

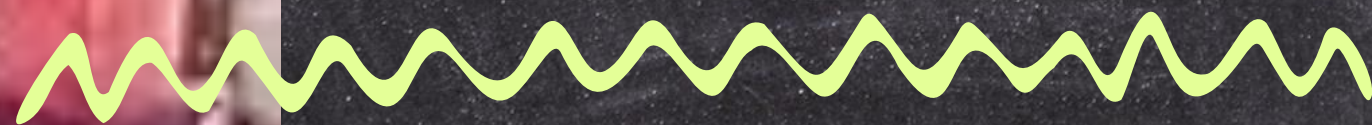

Year 2 Reading

In Year 2 children will be taking part in guided reading allowing them the opportunity to continue to develop their fluency, comprehension and inference skills.

During these sessions, the children will read an appropriate leveled text alongside their peers, with the support of an adult to encourage questioning and discussions around the book.

Homework

You will receive a task on Seesaw, linked to your child's phonic sound or spelling rule, which you can use to further practise some of the work we have been doing in class. We will not be completing weekly tests of these.

Alongside this we would expect the children to complete at least 5 reads per week.

Continuous Provision: Learning Through Play

In all classes, children will be encouraged to independently develop knowledge and understanding of topics and concepts by providing them the opportunity to explore their learning through exploration and play. Play enables the children to apply both their skills and knowledge learnt during formal lesson inputs.

Children are given the scaffolding and support to challenge themselves to reach their full potential.

PSHE and Social, Emotional & Mental Health

Our weekly PSHE lessons provide opportunities to discuss any worries or concerns that the children raise.

Support within school comes from our Emotional Literacy Support Assistants (ELSAs). These are Mrs. Thomson and Mrs. McFarlane.

We are a myHappymind School. This programme teaches our children to learn skills to develop strategies to support their mental health and wellbeing.

Rewards

ClassDojo

Children will be awarded Dojo points for following our Golden Rules.

Once they achieve 1000 points, they will earn a whole class reward.

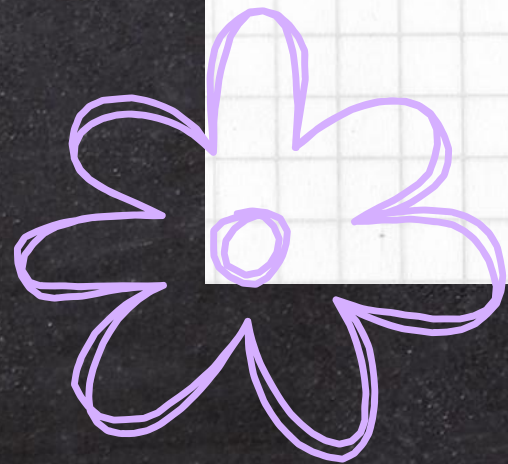

In their classwork, children will receive house point for perseverance, best effort, trying their best and challenging themselves. As well as simply knocking our socks off for their fantastic work.

Seesaw

We use Seesaw to celebrate the children and their success at school. Please contact us to set up a link so that you have access to Seesaw and can upload the children's work.

Teachers will respond between the hours of 8am and 5pm, in line with their working day.

Partnership for Inclusion of Neurodiversity in Schools (PINS)

Partnership for Inclusion of Neurodiversity in Schools (PINS) funded by NHS England in partnership with the Department of Education, Department for Health and Social Care and the National Network of Parent Carer Forums (NNPCF). The purpose of the project is to improve the experience of mainstream school for children who may have an additional educational need.

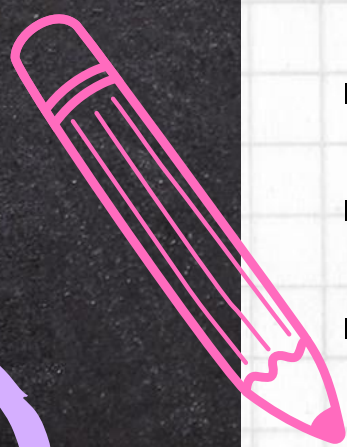

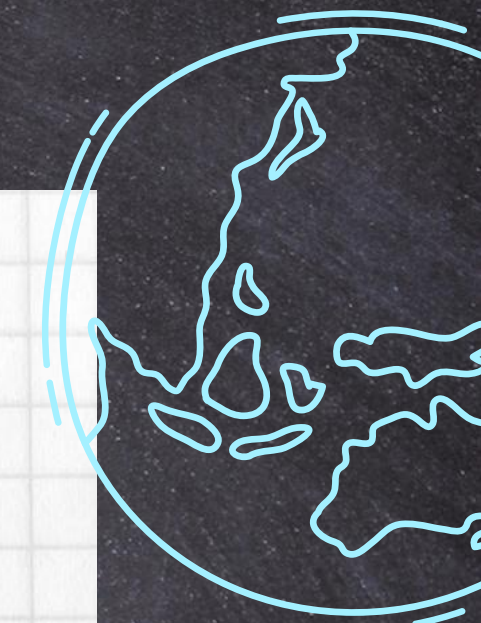

In addition to this, we will continue to offer FACE Parent Sessions covering a range of topics to support parenting in the home. These will be shared via school communication and the school website.

How can you help?

- Encouragement, support and positivity
- Praise effort, resilience and learning attitude as well as the finished product
- Talk about the Golden Rules – can the children tell you what they are?
- Hearing the children read and discuss their reading books at home
- Practicing spellings with the children
- Homework
- £2.00 cookery donation
- Tissues for the classroom
- Speak to the teacher if your child is unhappy
- Finally, if you have time to volunteer on trips, for one off classroom projects or even to come in and hear readers please speak to Mrs. Lody.
