PINS

Partnership for Inclusion of Neurodiversity in Schools (PINS) funded by NHS England in partnership with the Department of Education, Department for Health and Social Care and the National Network of Parent Carer Forums (NNPCF). The purpose of the project is to improve the experience of mainstream school for children who may have an additional educational need.

In addition to this, we will continue to offer FACE Parent Sessions covering a range of topics to support parenting in the home. These will be shared via school communication and the school website.

Changes to spellings: rather than a formal, weekly spelling test, all classes will undertake 'low-stakes' quizzes on whiteboards/through games and activities, allowing staff to adapt to the needs of the group and address commonly misspelt words. This should also assist children with the retention of spelling words.

Spelling lists will still come out via Seesaw every week to practise at home please. We love to see your efforts!

Handwriting

- Regular handwriting sessions take place in class. Children are expected to use joined handwriting.
 - No Pen licences – children will be given the option to write with a pen if they are writing neatly. We encourage them to choose depending on the task and purpose.
