STARTING WITH A BANG!

EYFS have settled into school so well. We are proud of all the children. We've been up to lots of exciting things; Forest School, PE, learning our first sounds, cooking and even making some wonderful new friends. Well done Zebras and Giraffes!

WORLD CUP WINNER!

Huge congratulations to Oliver's Mum Marlie Packer for a phenomenal second Red Roses England Women's Rugby World Cup Win. "It was an incredible day and hopefully a day Oliver will remember forever." We look forward to seeing the shiny cup in real life very soon!

THANK YOU!

To celebrate World Gratitude Day, children from Hawley went to visit the residents of Camberley Woods Care Home. Mrs Appleby and the children had a lovely creative time sending thanks to all.

TASTY TREATS

Thank you for coming in to school to see us during our Open Classroom event. We were proud to share our work with you all and hope that you took the opportunity to try some of the tasty treats prepared by Tara and the Kitchen Team in partnership with Dolce, our new catering providers. Thank you Healthy Schools Officers for serving up these delicious snacks.

SAVAGE STONE AGE

Children in years 3 and 4 have been thoroughly enjoying their Stone Age topic this term! They've stepped back in time to discover what life was like for early humans, even making their own Stone Age tools using natural materials. They have also had great fun experimenting with Stone Age art and have used berries, mud and charcoal to create their own cave paintings! The children have also displayed their work in their very own classroom cave and told their own stories using cave paintings. It has been wonderful to see their enthusiasm and imagination shine through as they discovered what life was like thousands of years ago!

SAMBA BEATS

Year 5/6 have absolutely loved working with Mr Jones from Hampshire Music Service so far this half term! They're a very creative, rhythmic bunch! We are excited to share our Samba Band performance with you next week.

KS1 LEARNING FUN!

Year 1 and Year 2 are enjoying completing their daily challenges and tasks in class. The continuous provision activities are designed to challenge and engage the children, while encouraging them to complete their tasks independently. We read *The Tiger Who Came to Tea*. The children enjoyed writing invitations to the Tiger and on Friday, the Tiger visited Elephant class and the children had a chance to read their written invites to him!

Play continues to be an integral part of the children's day, where activities are planned by combining lesson objectives and the children's interests and then presented through an engaging activity. In Maths, Year 1s used numbered conkers to identify what is 1 more and 1 less. The children enjoyed playing with the conkers while at the same time practicing their numeracy skills.

Key Stage 1 is embracing digital learning this year! In computing sessions, the children are working to independently use Seesaw. Year 1 are learning how to log in and out, using a QR code to find their account on the class list. Year 2s are learning how to access their assigned activities and upload their own work on Seesaw. Well done KS1!
