Dear Parents and Carers,

I hope this message finds you well. My name is Kelsey Swanton, and I am delighted to introduce myself as the new Wraparound Coordinator at Premier Education. It's a pleasure to be part of such a fantastic team, and I'm very much looking forward to working closely with you and your children to ensure they continue to enjoy their time with us.

As part of my role, I have recently introduced ClassDojo across all our venues. This new platform will allow us to share weekly videos and photos of the wonderful activities and moments your children experience during their time at the club, as well as being able to send messages to myself and the team on site.

ClassDojo is completely free to use, and you'll be able to access all updates, photos, and videos without any cost. There is, however, an optional paid feature available for parents who would like to use ClassDojo at home to reward their children with positive behaviour points. This is entirely up to you and not required to stay connected with our Wraparound Clubs.

I understand that the introduction of this new system may have caused a little confusion at first, and I sincerely apologise for any inconvenience this may have caused. However, I'm confident that ClassDojo will make a positive impact on our Wraparound Care programme, particularly by helping to improve communication and strengthen the connection between our staff and families.

Thank you for your understanding and support as we continue to enhance our service for you and your children. If you have any questions or need assistance accessing ClassDojo, please don't hesitate to get in touch with me directly.

I have already added all families whose children currently attend our Wraparound Clubs to the ClassDojo system. However, if any additional families would like to be included, please email me directly with your child's name, the venue they attend, and your contact number. I will then ensure you are added to the correct ClassDojo group so you can start receiving updates as soon as possible.

Kind Regards
