

# HAWLEY PRIMARY SCHOOL

## CURRICULUM STATEMENT

**AGREED BY HEADTEACHER & SCHOOL COUNCIL:** Autumn 2025

**LATEST REVIEW:** Autumn 2025

**NEXT REVIEW:** Autumn 2026

## Vision Statement

- H Happy & Healthy
- A Aiming High
- W Working Together
- L Learning to Grow
- E Encouraging Empathy
- Y Yes you can!

*'Respect, Resilience, Creativity -  
Learning for Life'*

### **Our vision is supported by our values of the month:**

September – Smart  
October – Open mindedness  
November – Neighbourly  
December – Determination  
January – Joy  
February – Friendship & Fun  
March – Mindfulness  
April – Ambitious  
May – Motivation  
June – Journey  
July – Join Together  
August – Achievement

Through our vision statement and values, we endeavour to nurture children who are caring, to value mistakes as an opportunity to learn, challenge and explore as part of their own learning journey. We strive to enable all children to achieve their best throughout the curriculum – encouraging aspiration, resilience, high standards and excellence.

*"Learning opportunities are wide ranging, so we learn what we want an also learn what we need."*  
Tabbie

*"Even if we don't get questions right, we always work hard and try our best."* Eliza

Our inclusive, broad, and balanced curriculum is delivered through interesting, important topics and experiential learning opportunities to enable our children to enjoy, achieve and question. Through creative approaches to thinking, this allows children to further understand how we learn. Most importantly we want our children to have fun!

Our passionate teaching team work hard to ensure the best outcomes for all pupils by creating a culture for learning by:

- Building positive relationships for Learning
- Creating an inclusive environment for Learning
- Through different types of explanation, helping everyone to understand
- Modelling Learning, our aim is clear
- Setting high expectations for Learning
- Organising opportunities for Learning
- Routines for Learning, like visual timetables
- Time for Learning
- Plan and adapt learning to meet the needs of all

Our curriculum is planned to incorporate British Values and Philosophy for Children which encourages the children to celebrate diversity and question with the aim of becoming respectful citizens. We openly encourage the children to ask questions and know that they have a voice.

*“Our rights are respected by the adults in school.” Liv*

Staff have established a resource-rich learning environment where everyone feels safe and secure. We pride ourselves on our child centred approach to learning, where children’s needs are supported and challenged to ensure all children achieve to their full potential.

We believe that children need both social and emotional skills if they are to participate effectively in daily life. It is our awareness of this need which has led to an extensive Personal, Social and Health Education programme. Through the myHappyMind programme, our children can regulate their emotional responses, develop resilience, and practise mindfulness.

Every child at Hawley primary School follows the Golden Rules.

*“We have movement breaks if we need them and practice happy breathing to calm.” Ella*

The physical health of children goes hand in hand with our aim of developing overall wellbeing. Staff are trained to deliver high quality Physical Education within school and endeavour to provide opportunities for all children to be physically active during the school week. This may be the Golden Mile, multi-skills PE Sessions led by specialist teachers and after school team events and fixtures. The wellbeing of all is one of our key objectives. Agility, fun, practice, and energy help our brain.

*“Our Teachers are here to keep us safe.” Olivia*

We offer a wide range of extracurricular, enrichment activities which support and motivate children to achieve their full potential in areas such as sport, the arts, computing, and outdoor learning.

Our Governors are enthusiastic, supportive and are committed to staff professional development. In addition, there is a thriving school partnership with parents, Local Authority, and wider school/education partners.

Ofsted rated us good this year and we are proud to call ourselves the ‘Hawley Family.’

*“We are an excellent school because we always learn new things!”*
