

Happy New Year

CHALLENGE ACCEPTED!!!!

£20,000

£10,000

WE HAVE A NEW FUNDRAISING TARGET AND THE KIDS ARE GOING TO LOVE IT!!!!

The schools much loved Trim Trail is now costing more to up keep, then it was to buy. So the PTA has been asked to raise a whopping £20,000 to buy a new climbing frame for our school.

Not only would this be an amazing achievement but also a great addition for our children, so the challenge is on! To start us off, we have been lucky enough to make use of a matching fundraiser scheme through one of the trustees' employers' which has doubled the funds from the Christmas event so **£6564.32** has been added to our totaliser!

Remember!!!!

Our First NEW Bi Monthly PTA is on **Tuesday 24th Feb at 2:30pm**, in the All Sorts Room at school. If you have any fundraising ideas to help increase our totaliser to reach our new target, please pop along and let us know your thoughts.
