

HAWLEY HEADLINES

FEBRUARY 27TH 2026

myHappyMind

Download your FREE myHappyMind Parent App

...An online resource to support you and your family to learn more about how you can use myHappyMind to support your child.

My Happy Mind

We are very proud to be a Gold myHappyMind School, having had this programme as an integral part of our PSHE curriculum using science to promote positive mental wellbeing. Our Happiness Heroes have just submitted an application to be one of the first Platinum myHappyMind schools in the UK celebrating our excellent practice. Miss Merkel, our PSHE Lead will be sending out a Parent Survey at the end of the week - please support us in sharing your views.

If you would like to find out more about this programme look at the website <https://myhappymind.org/about/> and download the parent app.

Attendance Matters

A big 'Thank You' to all our school community for working together for making us part of the top 25% of schools in England for our attendance in the Autumn term 2025 - every learning minute really does count.

Your voice counts

You will see the School Council and I on the playground this week and we would like you fill in a survey that will help us review our school halfway through the year.

The children are very passionate about what they think about our provision and we would like to know your opinions too.

I had a Safer Internet Day as well as looking after my Mental Health during the last week of Spring 1. It was really refreshing to have positive conversations with the children during their lunch break that week when I make time to chat with the children. The enthusiasm to talk about how to keep safe online and why it is so important, is fully embedded in our children's mind, as well as understanding the healthy balance between screen and play time. "Safer internet day taught me about being really careful on the internet." "Safer Internet Day gives us tools to stay safe on the internet and know if something is a scam or not."

Eisteddfod Winners 2026

Thank you to all of the whole school community who fully embraced the Eisteddfod on Friday 27th February. It was a day that fully embraced all of our Hawley Values - Respect, Resilience & Creativity. Keep checking Seesaw for a film of the day including all the joy! Congratulations Water!
