8TH MAY 2026

## Kids Right in Action Week (5<sup>th</sup> - 8<sup>th</sup> May 2026)

This week we have been educating and celebrating 'Kids Rights in Action Week' at Hawley. Through a range of engaging activities, our children have been learning about their rights and how these rights help keep them safe, happy and able to learn.

The children have been exploring what it means to have rights and responsibilities. They know that every child has the right to be safe, to be heard, to learn, and to be treated fairly – and that these rights apply to everyone, no matter who they are.

### What will the children be learning?

Each day, we have had a different focus:

- Tuesday- Right to an Education
- Wednesday- Right to Play
- Thursday- Right to be Heard
- Friday- Right to a Healthy Life

The School Council spoke to the children on the playground yesterday to find out about what the children have learnt so far...

"I have the right to be happy." Charlie, Panthers

"Rights are important." Vitto, Leopards

"My voice matters." Evie, Lions

"Every child has rights and it's very important." Sophie, Tigers

"The right to play and learn." Filip, Elephants

"I have the right to be listened to." Erin, Lions

"I have the right to speak up." Rose, Panthers

Talk to your child at home, why not continue the conversation at home? These discussions help reinforce the important messages children are learning and show them that rights and respect matter both at school and at home.

## Attendance Matters

Congratulations to Elephant & Puma Class who won our Attendance Awards this week with over 99% attendance. Remember our school target is 96% and...
