## Welcome Spring!

In Year R we had a visit from Zoolab. We saw and held some unusual animals, such as a cockroach, a stick insect, a tortoise, a tarantula and a corn snake. We weren't allowed to touch the tarantula because it may hurt us with its prickly legs, but we stroked the tortoise and he loved it! We held the corn snake which was not slimy like we thought it would be and we held the cockroach which tickled our fingers. We learnt that insects have six legs and three parts to their bodies. It was a fun morning!

## Spring into Fun!

Children in Y5/6 enjoyed a visit from Hart & Rushmoor Public Health Nursing Team. This workshop was called 'Healthy me' and children were able to take part in a variety of activities learning how to keep our bodies healthy. We created a healthy lunchbox, looked at the sugar content in a variety of food, explored parts of the body and what happens when we don't look after it and identified labels on food packaging to help us make healthier choices.

## TCS Mini Marathon!

By May 1st 2026, our whole school had taken part in running 2 miles for the TCS Mini Marathon! You were all amazing and so wonderful to see so many children running and being active. We also have a chance for Joe Wicks to visit us as we took part in this event, fingers crossed! 😊

**Last League Football Match of 2025/26.  
League Winners  
with 2 wins and 2 draws 🌟**

What can I say... you boys played the best football I've see you play! You were all incredible and the score does not reflect the game! You had so many chances but just did not get the goals. We may have lost 1-2, but you can all hold your heads high as you all played amazingly 🌟 We are still league winners as have played more games then Manor 🌟 So proud of you all 🌟

**Basketball Tournament at Calthorpe  
You were all absolute super stars and won  
6/8 games! So proud of you all 🌟**

## Time To Shine Cricket Coaching

Y5/6 and Leopards are having a wonderful time receiving some fantastic cricket coaching from Coach Vik 😊

A fantastic Cricket Festival 🏰  
so much fun had by all 🏏

# We have the Right to be Healthy

KS1 have continued with our mission to stay active. We are enjoying our unit on Skipping this term for Outdoor PE. Not only has this developed our overall fitness and coordination, it has also improved our resilience! The children have initially found this skill challenging, but they have continued to persevere in learning how to skip. Fantastic work, KS1!

Our Healthy School Officers are busy at break times serving at the Tuck Shop. The children are really enjoying some tasty, healthy snacks at break time.
