

HAWLEY HEADLINES

15TH MAY 2026

Learning for Life!

This week we have been looking at our school badge, thinking about what it means to be a member of the Hawley Family.

SATs Success

We are incredibly proud of our Year 6 children who have now completed their SATs! The tests took place this week covering English grammar, punctuation and spelling, English reading, and Mathematics. Our Year 6 children showed tremendous resilience, focus and determination throughout the week and approached each test with a positive attitude and will to succeed. We couldn't be more proud of how they represented themselves and our school. Well done, Year 6!

Our Core Values

Our core values of respect, resilience and creativity create a sense of belonging at Hawley. Our fantastic School Council have created a special video to share what these values mean to them and how we can all demonstrate them in our daily lives at Hawley Primary School. The children have done a wonderful job explaining how:

- Respect means treating everyone with kindness and consideration
- Resilience helps us to persevere when things are challenging
- Creativity allows us to think differently and express ourselves

Please ask your child about the video and discuss these values at home.

"Can you tell me about one of our school values? How did you show that value this week?"

Summer Playground Rules

As we enjoy the lovely sunshine, I have spoken with the children about our playground rules to ensure safe and happy playtimes for all:

- Safe play on both the field and playground – please be mindful of others around you
- 'No hands' – we encourage children to keep their hands to themselves to ensure everyone feels safe and comfortable during play
- Stay hydrated – please ensure your child brings their water bottle to school

These simple rules help create a positive environment where all our children can enjoy their break times safely in the sunshine.

Attendance Matters

For the second week running, congratulations to Elephant & Puma Class who won our Attendance Awards this week. Remember our school target is 96% and...
